## WILL OF Nancy B. Donati

I, Nancy B. Donati, of Barrington, Illinois, make this my Will and revoke all prior wills and codicils.

### Article 1 Introduction

1.1 My Family. I have two brothers and one sister now living, namely Joan Rodriguez, of Yelm, Washington, and Joseph Donati and Daniel Donati. I intend by this Will to make no provision for my brothers, Joseph Donati and Daniel Donati. I have no children.

### Article 2 Gifts on My Death

2.1 Gifts of Tangible Personal Property. I give all my tangible personal property my sister, Joan Rodriguez, of Yelm, Washington. The term "tangible personal property" means all personal and household effects, jewelry, automobiles, collections, and other tangible personal property that I own at my death (including insurance thereon but excluding business use property, precious metals, and unset gems).

2.2 Gift of Balance. I give the balance of my estate to my sister, Joan Rodriguez, if she survives me. In the event she does not survive me, then I give the balance of my estate to my sister Joan Rodriguez's children in equal shares, per stirpes.

2.3 Survivorship. Only persons living on the 30th day after the day of my death shall be deemed to have survived me for purposes of this Article.

### Article 3 Distribution to Beneficiaries Under Prescribed Age

Any property to be distributed to a beneficiary who is under age 21 at the time of distribution shall immediately vest in the beneficiary, but the executor shall distribute the property to a custodian for the beneficiary under a Uniform Transfers or Gifts to Minors Act.

### Article 4 Executors

4.1 Nomination of Executors. I name as my executor the first of the following who is from time to time willing and able to act:

(a) my brother in law George Rodriguez;

(b) My attorney David Lynam;

(c) Harris Bank and Trust of Chicago, Illinois.

by my executor, the administration of my estate shall be independent of the supervision of any court.

4.3 Powers of Executor. I give my executor power, without authorization of any court:

(a) Retention. To retain any property regardless of diversification and regardless of whether the property would be considered a proper estate investment and to continue or to permit the continuation of any business, incorporated or unincorporated, that I may own or in which I may have any interest at the time of my death for such period as my executor shall determine;

(b) Sale. To sell at public or private sale, contract to sell, grant options to buy, convey, transfer, exchange, or partition any real or personal property of my estate for such price and on such terms as my executor sees fit;

(c) Real and Tangible Personal Property. To make leases and subleases and grant options to lease, although the terms thereof commence in the future; to purchase, operate, maintain, improve, rehabilitate, alter, demolish, abandon, release, or dedicate any real or tangible personal property; and to develop or subdivide real property, grant easements, and take any other action with respect to real or tangible personal property that an individual owner thereof could take;

(d) Borrowing. To borrow money from any lender (including my executor individually), extend or renew any existing indebtedness, and mortgage or pledge any property;

(e) Investing. To invest in bonds, common or preferred stocks (including securities of any corporate fiduciary or of any affiliated corporation), notes, options, common trust funds, mutual funds, shares of any investment company or trust or other securities, partnership interests, general or limited, limited liability company interests, joint ventures, real estate, or other property of any kind, regardless of diversification and regardless of whether the property would be considered a proper estate investment;

(f) Distribution; Determination of Value. To distribute my estate in cash or in kind, or partly in each, to allocate or distribute undivided interests, different property, or disproportionate interests to the beneficiaries, and to determine the value of any property so allocated or distributed; but no adjustment shall be made to compensate for a disproportionate allocation of unrealized gain for income tax purposes and no action taken by my executor pursuant to this subparagraph shall be subject to question by any beneficiary;

(g) Rights as to Securities. To have all the rights, powers, and privileges of an owner of securities, including, but not limited to, the powers to vote, give proxies, and pay assessments and to participate in voting trusts, pooling agreements, foreclosures, reorganizations, consolidations, mergers, and liquidations and, incident to such participation, to exercise or sell stock subscription or conversion rights;

(h) Conservation of Assets. To take any action that an individual owner of an asset could take to conserve or realize the value of the asset and with respect to any foreclosure, reorganization, or other change with respect to the asset;

(i) Delegation. To employ agents, attorneys, and proxies of all types (including any firm in which a relative of mine or his or her spouse is a partner, associate, or employee or is otherwise affiliated) and to delegate to them any powers my executor considers advisable;

(j) Principal and Income. To determine in cases not covered by statute the allocation of receipts and disbursements between income and principal; to establish out of income and credit to principal reasonable reserves for depreciation, depletion, and obsolescence; and to amortize out of income any premium paid for interest-bearing obligations.

(k) Dealing with Fiduciaries. To deal with, purchase assets from, or make loans to the fiduciary of any trust made by me or a trust or estate in which any beneficiary under my Revocable Trust has an interest, even though my executor is the fiduciary, and to retain any assets or loans so acquired, regardless of diversification and regardless of whether the property would be considered a proper estate investment; to deal with a corporation acting as executor under this will or a parent or affiliate company; and to deal with the fiduciary of any other estate, trust, or custodial account even though the fiduciary is my executor;

(l) Compromising Claims. To litigate, compromise, settle, or abandon any claim or demand in favor of or against my estate;

(m) Nominee Arrangements. To hold any asset in the name of a nominee, in bearer form or otherwise, without disclosure of any fiduciary relationship;

(n) Liability Insurance. To purchase liability and casualty insurance of any kind for the protection of the estate, including comprehensive liability insurance;

(o) Environmental Matters. To inspect and monitor businesses and real property (whether held directly or through a partnership, corporation, trust, or other entity) for environmental conditions or possible violations of environmental laws; to remediate environmentally damaged property or to take steps to prevent environmental damage in the future, even if no action by public or private parties is currently pending or threatened; to abandon or refuse to accept property that may have environmental damage; and to expend estate funds to do the foregoing; and no action or failure to act by my executor pursuant to this subparagraph shall be subject to question by any beneficiary;

(p) Qualified Conservation Easements. To create, on land meeting the requirements of Code §2031(c)(8)(A), a qualified conservation easement, as defined in Code §2031(c)(8)(B), with or without the consent of any beneficiary, and to make the election provided in Code §2031(c)(6);

(q) Disclaimers. To disclaim any property or interest on my behalf without court approval;

(r) Instruments. To execute and deliver necessary instruments and give full receipts and discharges;

(s) Ancillary Executor. To appoint any ancillary executor with the powers, and subject to the direction, of my executor; and

(t) Powers of Trustee. To exercise any power now or hereafter conferred by the statutes of Illinois on the trustee of a trust having its situs in Illinois.

Article 5  
Payment of Death Taxes, Expenses, and Debts

5.1 Payments. My executor shall make the following payments:

(a) Death Taxes. All of my death taxes.

(b) Expenses. All expenses of my last illness, funeral, and burial; costs of safeguarding and delivering tangible personal property; and estate administration expenses.

(c) Debts. All of my debts, other than debts secured by life insurance, by an interest in a land trust or cooperative, or by real property.

5.2 Source of Payments Generally. My executor shall make all payments required under this Article from my estate remaining after distribution of any gifts of tangible personal property. Notwithstanding the preceding sentence, my executor shall pay from the disclaimed assets all generation-skipping transfer taxes on direct skips of which I am the transferor occurring at my death as a result of a disclaimer.

5.3 Apportionment and Reimbursement for Death Taxes and Expenses. I do not waive any rights my executor has under Code §§2206, 2207, 2207A, and 2207B or any similar statutes of any state (or any comparable provisions in effect at my death), and I authorize my executor to take such actions as are necessary to obtain reimbursement under those Code sections and statutes, including withholding distributions. I waive all other rights to reimbursement and apportionment.

5.4 Tax Elections. My executor may make elections under tax laws and employee benefit plans and may make allocations of any available GST exemption as my executor deems advisable. No adjustment shall be made between principal and income or in the relative interests of the beneficiaries to compensate for any such election or allocation.

Article 6  
Definitions

6.1 Balance of My Estate. The "balance of my estate" means my estate reduced by any payments of expenses, debts, and death taxes required to be paid from my estate and any gifts of specific assets.

6.2 Code. References to sections of the "Code" refer to the Internal Revenue Code of 1986, as amended from time to time, and include corresponding provisions of subsequent federal tax laws.

6.3 Death Taxes. "Death taxes" includes all estate, transfer, inheritance, and other succession taxes (including penalties and interest) imposed by reason of death. "Death taxes" shall not

include generation-skipping transfer taxes imposed on any generation-skipping transfers other than direct skips made at the decedent's death of which the decedent is the transferor.

6.4 Incapacity. A person shall be considered incapacitated if under a legal disability or unable to give prompt and intelligent consideration to financial affairs. 6.5 Per Stirpes. Whenever assets are to be allocated for or distributed to the descendants of a person "per stirpes," those assets shall be divided into equal shares, one such share for each then living child of that person and one share for each deceased child of that person who has a descendant then living. Any such deceased child's share shall then be allocated for or distributed to that child's descendants per stirpes in accordance with the preceding sentence and this sentence.

6.6 Qualified Corporation. A "qualified corporation" means any bank, trust company, or other corporate entity that is authorized to act as an executor or a trustee and that is not a related or subordinate party under Code §672(c) as to any beneficiary hereunder.
