How To Fill Out the Direct Registration Transaction Request Form

Sell - To sell ALL shares, check the "Sell All Shares" box on the reverse side. To sell only a portion of the shares you hold, **DO NOT** check the "Sell All Shares" box; instead, indicate the number of shares you wish to sell in the "Sell This Number Of Whole Shares" box, and return to the address below. Sale requests submitted on this *Direct Registration Transaction Request Form* will be treated as a batch order and are generally processed no later than five business days after the date on which the form is received. A market order sale may be available by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the Terms and Conditions of Sales Facility in the Direct Registration brochure for more information concerning the types of orders available and fee details. Note: market orders and batch orders are subject to different fees. The IRS requires that we report the cost basis of certain shares acquired after January 2, 2011. If your shares are covered by the legislation and you provide a written request specifying a cost basis calculation method to be used when selling those shares, we will process as requested. If you do not specify a cost basis calculation method, we will default to selling shares in first in, first out (FIFO) order as shown on our system. Please visit our website or consult your tax advisor if you need additional information about cost basis. When selling through Computershare, you are unable to direct the time at which the shares may be sold and you are unable to select the broker through whom sales are made.

Cost Basis - The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares are covered by the legislation and you sell or transfer the shares and request a specific cost basis calculation method, we will process as requested. If you do not specify a cost basis calculation method, we will default to either the first in, first out (FIFO) for equity issuers or for certain closed-end funds, average cost basis method. Please note that Closed-End Funds and/or Registered Investment Companies are not required to report cost basis until January 1, 2012. Please visit our website or consult your tax advisor if you need additional information about cost basis.

SSN/TIN Certified - If your account is not certified, you must complete a W-9 or W-8BEN tax form or taxes will be withheld from any dividends or sales proceeds per Internal Revenue Service requirements.

OTHER TRANSACTIONS - To obtain forms for transferring your Direct Registration shares to another person or to make changes to your account, such as an address change, please call the telephone number or visit our website on the reverse of the form.
