Additional information

Sale requests typically take one to five business days to process after the deposit has been completed, if applicable. Proceeds, less fees and commissions, that are sent by direct deposit are typically sent to your bank on the second business day after the sale. Availability of these funds depend on your bank's posting standards. Checks for sale proceeds, less fees and commissions are issued one business day after the sale date and then mailed to your address on file.

All requests will be executed in accordance with the terms and conditions defined in your plan documents. Once a sale has been submitted to Shareowner Services, it cannot be modified or cancelled. You are unable to direct the date, time, or price at which the shares will be sold. The share price may fall or rise during the period between a request for sale, its receipt by Shareowner Services, and the actual sale in the open market. This price risk is assumed by the shareowners.

Direct deposit of sale proceeds:

- Provide us your account type, nine-digit ABA/routing number (begins with 0, 1, 2, or 3), and bank account number.

- If sale proceeds exceed \$10,000 a check will be issued.
- The account number in box one must be filled out correctly or a check will be issued.

Certificate deposit:
