JP Testatrix WB Witness LW Witness

DONNA JEAN MORMAN

I have no deceased children.

SECOND

DISPOSITION OF ESTATE

I give, devise and bequeath all of my estate, whether real, personal, or mixed, and wherever situated, to **DONNA JEAN MORMAN**, or, if she fails to survive me, to my grandson, **TRENT THOMAS MORMAN**.

THIRD

EXECUTOR

I appoint **DONNA JEAN MORMAN** as the Independent Executor of this Will and of my estate. If **DONNA JEAN MORMAN** is unable or unwilling to act or to continue to act in that capacity, then I appoint **MARK MORMAN** as the Independent Executor of this Will and of my estate. If **MARK MORMAN** is unable or unwilling to act or to continue to act in that capacity, then I appoint **TRENT THOMAS MORMAN** as the Independent Executor of this Will and of my estate.

I direct that no action shall be taken in any court in the administration of my estate other than the probating and recording of the Will and return of an inventory, appraisement and list of claims of my estate or the filing of an affidavit in lieu thereof, as required by law. My Independent Executor, whether male or female, original, substitute, or successor is hereafter referred to as my "Executor."

of granting of letters until my estate has been entirely distributed, the same rights, powers, authority, privileges and discretion with reference to the control, management, and disposition of my estate that are given to trustees by the provisions of the Texas Trust Code (Section 113.001 et seq.) in addition to all other powers given to Independent Executors by law. Without limiting the generality of the foregoing authorization, I specifically authorize my Executor to sell all or any part of my estate upon such terms and conditions as my Executor may deem proper, and to partition all or any property of my estate among the beneficiaries thereto in such manner as shall be deemed fair and equitable by my Executor.

I direct my Executor to distribute my estate as soon as possible after my death, and my Executor is authorized to make such distribution in cash or in kind, or partly in cash and partly in kind, and my Executor is further authorized to distribute my estate subject to any and all indebtedness incurred by me or by my Executor which in the opinion of my Executor need not first be paid, and subject to any or all mortgages, deeds of trust or other liens created by me or by my Executor.

At some point in time after the execution of this Will, I may prepare a written memorandum which I may place with or near this Will. If I do, I direct my Executor to disperse certain items of personalty to those persons whose names may appear in conjunction with a given item or items of personalty, as a memento, as set forth in that memorandum. I do not intend any such written memorandum to be my will, nor a codicil to my will, and I direct that this provision shall have no force or effect should any person allege that such written memorandum is my will or a codicil to my will. Further, my Executor is not bound by any such writing as it shall be deemed to be precatory and not mandatory.

FOURTH

GENERAL

If any beneficiary under this Will in any manner, directly or indirectly, contests or challenges this Will or any of its provisions, any share or interest in my estate given to that contesting beneficiary under this Will is revoked and shall be disposed of in the same manner as if that contesting beneficiary had predeceased me without descendants.

If any provision of this Will or of any Codicil thereto is held to be inoperative, invalid, or illegal, it is my intention that all of the remaining provisions thereof shall continue to be fully operative and effective so far as is possible and reasonable.

The term "descendants" when used in this Will refers to all natural children of the indicated persons, including any that may subsequently be born. In this connection, natural children of male descendants exclude those born outside of lawful marriage, and natural descendants of either sex exclude any with respect to whom parental rights with the indicated person have been terminated. The term "descendants" includes all adopted children of the indicated person and any that may subsequently be adopted. The term "descendants" excludes all other persons, including any stepchildren or foster children who reside or who may subsequently come to reside with the indicated person. Any such distribution to descendants shall be per stirpes and not per capita.

Any beneficiary named in this Will must survive me by at least 30 days. If a named beneficiary does not survive me by 30 days, the distribution shall be as if he or she had predeceased me. In such case, if no alternate beneficiary is named in the Will, the bequest or devise shall become a part of the residue of my estate.

If a specific bequest of real or personal property is not owned by me at the time of my death,

SP Testatrix CS Witness RW Witness

the gift of same shall lapse.

The headings above the various provisions of this Will have been included only in order to make it easier to locate the subject covered by such provision and are not to be used in construing this Will or in ascertaining my intentions.

IN TESTIMONY WHEREOF, I, **GLORIA PARROTT**, as Testatrix, after being duly sworn, declare to the undersigned witnesses and to the undersigned authority that this instrument is my last Will, typewritten on **SIX** pages, that I willingly make and execute it in the presence of the undersigned witnesses, all of whom are present at the same time, as my free act and deed, and that I request each of the undersigned witnesses to sign this Will in my presence and in the presence of each other.
