Ladies and Gentlemen

On June 14, 2025 I received a dividend check from MetLife for my deceased wife. For quite some time I have tried to get her stock transferred into my stock I have with MetLife. I mailed certified return receipt in April again the paperwork required to get her stock transferred into my account.

I called last week to find out the reason why that transfer has not taken place. I talked with "Glen" who informed me all my paperwork was complete except I did not send in a copy of my driver's license or passport. Glen said I have all the information I need turned in except except for the passport or driver's license. Glen said a letter was send out April 29, 2025, that said the transfer could not be completed because this document was missing. Once this document is received, then the transfer can be complete.

Please find a copy of my driver's license and passport. If there is anything else you may need, please let me know. My email address is oldbrave1975@gmail.com. My phone # is 606-875-4661.

Sincerely

Doug Grider
