How to complete this form

Backup Withholding

The Internal Revenue Service (IRS) requires us to withhold taxes for the applicable rate of backup withholding for U.S. persons without a W-9 tax certification who are not otherwise exempt. Parties acting as disbursement agents, such as Computershare, must withhold and pay to the IRS the applicable tax rate of such payments under certain conditions. This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, and royalties. Supplying us with your correct Taxpayer Identification Number (TIN), and signing this form will generally allow you to receive your payments without being subject to backup withholding. Failure to supply your TIN, or supplying us with an incorrect TIN, could result in a \$50.00 penalty being assessed by the IRS.

Receipt of a completed Form W-9 will discontinue backup withholding unless otherwise required.

See the following Frequently Asked Questions (FAQs) section for more information about number and type of shares. All shares transferred will be in book-entry form unless otherwise requested in writing.

- 1** Enter date of death as recorded on the death certificate.
- 2** Enter a daytime telephone number where you can be reached should we have any questions regarding this transfer request.
- 3** Check this box only if you wish to transfer all of the shares in the decedent's account. These shares include Direct Registration System (DRS) and investment plan shares held in book-entry form, as well as any certificates submitted. If this box is checked, do not complete sections 4, 5 and 6.
- 4** Enter the number of DRS book-entry shares you wish to transfer.
- 5** Enter the number of certificated shares you wish to transfer. **IMPORTANT:** In order to transfer certificated shares, you must submit the original certificates with this form. If the number of shares to transfer is less than the number of shares on the certificate, the balance will be put into DRS book-entry form in the name of the current holder and a statement will be mailed.
- 6** Enter the number of investment plan book-entry shares you wish to transfer. If you would like to transfer all of the decedent's investment plan shares, you must enter the exact number of shares the decedent held including any partial share amount.
- 7** Check Replacements: Check this box with an 'X' to replace any checks that may be outstanding on the account (please see FAQ for details). Reissued checks will be made payable as originally issued. Not all accounts will have outstanding checks but Computershare will review and replace if applicable. Checks are sent to the address of record for the original account.

8 **Authorized Signatures – This section must be completed for your transfer to be executed.**

After reviewing the form to ensure that all information provided is correct, please sign and date the form in the appropriate boxes. Please note, if you are signing on behalf of the current registered holder you must indicate your capacity (e.g. John Smith, Executor).

Signature(s) must be stamped with a Medallion Signature Guarantee from a qualified financial institution, such as a commercial bank, savings bank, savings and loan, US stockbroker and securities dealer, or credit union that is participating in an approved Medallion Signature Guarantee Program. The guarantor institution should verify the medallion stamp is sufficient to cover the value of assets being transacted upon. A Notary Seal is **NOT** acceptable.

NEW HOLDER/RECIPIENT INFORMATION

If you are transferring to multiple new holders, feel free to photocopy the "New Holder/Recipient" page of the form prior to completion. This page must be completed for each new holder. Please be sure to clearly note the top of each page with the number of shares (not a percentage) to be transferred to each recipient.

9 **Account Type – Mark only one box with an "X" indicating the type of account into which you are transferring shares. Complete additional sections as indicated.**

Definitions of Account Types:

- An individual registration, e.g. John T. Smith, is used if there is only one account holder. There is only one individual listed on the account.
- A joint tenant registration with right of survivorship, e.g. John T. Smith and Jane T. Doe JT TEN, is used if there are two or more equal holders listed on the account. Please note, the registration must read "and." The word "or" cannot appear in the registration. In the event of the death of one of the listed holders, the securities in the account become the property of the surviving joint holder.
- A trust registration, e.g. John T. Smith and Jane T. Doe TR UA 4-3-66 Smith Family Trust, is used to allow the appointed trustees to handle the securities. All acting trustees are listed on the account, which also names the legal name and date of the trust agreement. To register shares under a trust, a legal trust agreement must exist.

- A custodial with minor registration under the Uniform Gifts to Minors Act (UGMA) or Uniform Transfer to Minors Act (UTMA) of the state of the donor, the state of the custodian or the state of the minor, e.g. John Doe Custodian for Jonathan Doe UTMA NY, is used if the securities are held by a custodian on behalf of a minor. The named custodian is given the legal authority to act on the account on behalf of the minor, until the minor reaches the age of majority under the applicable state's law. The Social Security number associated with the account is that of the minor.
- An estate registration, e.g. John Smith Executor for the Jane Doe Estate, is used to allow a court-appointed legal representative to act on the account. The account is registered in the decedent's estate.
- A transfer on death (TOD) registration is a type of account registration that allows account owners (individual or joint owners with rights of survivorship) to designate beneficiaries to receive certain assets at the time of their respective deaths, without going through probate. Please note, the transfer of stock to a beneficiary or beneficiaries is not automatic and will require notification of death of the account owner(s) and certain documentation to be sent to the transfer agent. To register a TOD account and designate a beneficiary or beneficiaries, go to www.computershare.com/TOD.
- Other common registrations include community property, Limited Liability Company (LLC), nominee, partnership, tenants by entireties and unincorporated association.
