The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011 and then sold. Shares transferred out of an account will be done using our default cost basis calculation of first in, first out (FIFO) unless otherwise instructed. Please visit our website, review the enclosed FAQ, or consult your tax advisor if you need additional information about cost basis.

Dear Holder,

As requested, enclosed are the forms and instructions needed to transfer the decedent's stock to a new account or another holder. We have also enclosed answers to Frequently Asked Questions (FAQs) to assist you with completing the form and to answer transfer related questions you may have. You can find additional helpful information in the "Help" section of our website, www.computershare.com/investor.

To request the transfer, you will need to complete the following steps:

Step 1: Transfer Request form – Complete the enclosed form. All surviving registered holders (if applicable) or a legally authorized representative must sign the "Authorized Signatures" section (section 8), with a Medallion Signature Guarantee for each signature. An individual signing on behalf of the current registered holder must indicate his or her capacity next to the signature on the form (e.g. John Smith, Executor or John Smith, Custodian). See the enclosed FAQ document for additional information.

Note that a Medallion Signature Stamp is requested for us to process this transfer request. However, you may be eligible to utilize the Medallion Waiver Option in place of the stamp if you are a US resident, your total account value for this stock is under \$10,000 AND you submit your transfer paperwork with a check payable to Computershare in the non-refundable amount of \$50. Please also enclose a copy of a government issued picture identification such as a license or passport if electing the Medallion Waiver option.

If the decedent held any certificated shares, you must include the original stock certificate(s) along with the Transfer Request form. If a certificate is lost, please contact us at the customer service number listed on the top right corner of this letter to find out the cost and process for requesting a certificate replacement. Lost certificates must be replaced prior to transferring the shares.

In the absence of direction from the holder or the issuer, or if the share amount in question does not match one of the classes, this transfer may be subject to rejection or clarification.

Step 2: Form W-9, tax certification – The new holder should sign and date the Form W-9 included with the Transfer Request form. If the new holder is unable to provide tax certification at this time, we will send him or her a Form W-9 (Request for Taxpayer Identification Number and Certification) once the transfer request is processed. Computershare will be required to withhold taxes on any dividends or other cash distributions until tax certification is received by us.

Step 3: Additional tax documentation – Obtain either (a) or (b), as applicable:

(a) If the decedent resided in a state in which an inheritance tax waiver is required, an Inheritance Tax Waiver form.

(b) If the decedent did not reside in a state in which an inheritance tax waiver is required, either (i) a Notarized Affidavit of Domicile (blank form enclosed), or (ii) an Inheritance Tax Waiver stamp affixed next to the signature on the Transfer Request form.

See the last page of the enclosed FAQ document for additional information on these items and how to obtain them.

How to complete this form

Backup Withholding

The Internal Revenue Service (IRS) requires us to withhold taxes for the applicable rate of backup withholding for U.S. persons without a W-9 tax certification who are not otherwise exempt. Parties acting as disbursement agents, such as Computershare, must withhold and pay to the IRS the applicable tax rate of such payments under certain conditions. This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, and royalties. Supplying us with your correct Taxpayer Identification Number (TIN), and signing this form will generally allow you to receive your payments without being subject to backup withholding. Failure to supply your TIN, or supplying us with an incorrect TIN, could result in a \$50.00 penalty being assessed by the IRS.

Receipt of a completed Form W-9 will discontinue backup withholding unless otherwise required.
