Instructions for the International Currency and Wire Payment Registration Form

If you are enrolled in dividend reinvestment, or want to have your dividend payment direct deposited to a U.S. Bank, do not fill out this form. Please refer to the Frequently Asked Questions for further information.

- Step 1: Instructions – You may set up or change instructions for all future dividends, store payment instructions for future sales, or terminate your international currency payment for dividends.
- Step 2: Requested Currency for Payment – Refer to the enclosed International Currencies List and enter your preferred currency for your payments. This list is subject to change at any time and without notice. If the currency you selected is not allowed for the country, or if there are any legal restrictions within the country where your bank is located, we will be unable to register you in the International Currency Payment Program. Please contact your bank with any questions regarding legal restrictions and contact us for a current list of currencies available.
- Step 3: Payment Method – Select whether you elect to receive payments by check or electronic funds transfer. Please refer to the enclosed International Currencies List to verify that the payment method you are selecting is available for the currency you indicated in Step 2.
- Step 4: Bank Information – If you select electronic funds transfer as your payment method, you must provide your bank information. Please include your full bank address. If you are unsure of any of the information please contact your bank for assistance regarding electronic funds transfer instructions.
Intermediary Bank Information – Complete this only if you select a currency other than the currency of your bank country OR if you know your bank requires an intermediary bank to complete electronic funds transfers. For example, if your bank is in France and you request U.S. Dollars as your currency, your bank may use another bank to complete electronic fund transfers. Not providing this information may delay receipt of your funds. Please contact your bank for its Swift/BIC/IBAN/Sort Code and to find out if it requires an intermediary bank.

International Currency and Wire Payment Registration Form

To receive payments for this account in a currency other than U.S. Dollars (USD), or to receive a USD wire to a bank outside the U.S. (if allowed by the recipient bank), follow the below steps. For assistance in completing the form correctly, review the Glossary of Terms, Instructions, and Frequently Asked Questions. You may set up payment instructions immediately for your account at the web address appearing above.

Step 1: Your Instructions:

- ☒ I wish to set up or change my international currency payment instructions for dividends. All future dividends will be paid in accordance with the payment method and currency choice selected below and a USD processing fee of \$5 for a check, or \$10 for an electronic funds transfer, will be deducted from the dividend payment. *The payment instructions you provide will remain on file on your account. If your dividend payment is less than the processing fee, your payment will instead be made by check in USD.*
- ☒ I wish to set up or change my payment instructions for future sales. I understand at the time of sale I may choose a USD payment. A USD processing fee of \$25 for an international currency check or \$35 for an electronic funds transfer (regardless of currency) will be deducted from the sales payment (in addition to any sales fees). Future sales requests made in writing must specify to use these existing instructions or proceeds will be sent by check in USD. *If your sales payment is less than the processing fee, your payment will instead be made by check in USD.*
- ☐ I wish to terminate my international currency payment instructions for dividends and wish to receive future dividend payments by U.S. dollar check.

Step 2: Select Currency Type:
