The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011 and then sold. Shares transferred out of an account will be done using our default cost basis calculation of first in, first out (FIFO) unless otherwise instructed. Please visit our website, review the enclosed FAQ, or consult your tax advisor if you need additional information about cost basis.

Dear Holder:

Re: JAMES M DUTKA
Company Name: Carlisle Companies, Inc.

Account Number: 0000012319

See end of letter for share holding details.

As requested, enclosed are the forms and instructions needed to transfer the decedent's stock to a new account or another holder. We have also enclosed answers to Frequently Asked Questions (FAQs) to assist you with completing the form and to answer transfer related questions you may have. You can find additional helpful information in the "Help" section of our website, www.computershare.com/investor.

To request the transfer, we recommend that you visit our stock Transfer Wizard at www.transfermystock.com, the quickest, easiest and most accurate method to create your transfer documents. The wizard validates information as you go through the process to ensure all key elements are entered. In fact, we have found that individuals who use the Transfer Wizard are three times LESS likely to have their request rejected because we had to ask for additional information.

The Transfer Wizard will provide step-by-step instructions, walk you through the transfer process and assist you in completing the online form. You will need the following information:

- Company name: Carlisle Companies, Inc.
- Current holder account number that begins with the letter "C" found on a recent statement, or included in this package if you are the current holder
- Current holder five-digit US ZIP code
- Name and address of new holder
- Number of shares to transfer

Additional security information may also be required, depending on the type of transfer requested.

Or if you prefer, you may complete the enclosed hard copy forms by hand, or by following the steps below.

Step 1: Transfer Request form – Complete the enclosed form. All surviving registered holders (if applicable) or a legally authorized representative must sign the "Authorized Signatures" section (section 8), with a Medallion Signature Guarantee for each signature. An individual signing on behalf of the current registered holder must indicate his or her capacity next to the signature on the form (e.g. John Smith, Executor or John Smith, Custodian). See the enclosed FAQ document for additional information.

Note that a Medallion Signature Stamp is requested for us to process this transfer request. However, you may be eligible to utilize the Medallion Waiver Option in place of the stamp if you are a US resident, your total account value for this stock is under \$10,000 AND you submit your transfer paperwork with a check payable to Computershare in the non-refundable amount of \$50. Please also enclose a copy of a government issued picture identification such as a license or passport if electing the Medallion Waiver option.

If the decedent held any certificated shares, you must include the original stock certificate(s) along with the Transfer Request form. If a certificate is lost, please contact us at the customer service number listed on the top right corner of this letter to find out the cost and process for requesting a certificate replacement. Lost certificates must be replaced prior to transferring the shares.
